PASSOVER, BEGINNING OF THE VICTORY!

The Passover It is a very important holiday in the history of humanity. It is not a pagan rejoicing but a feast of awareness where those who have accepted Jesus as Lord, rejoice first in spirit.

Jesus, the Lamb of God.

According to God's law, and since the Old Testament, for sin to be forgiven, blood must be shed in favor of that person.

Jesus is called the Lamb of God in reference to ancient sacrifices. This time, it is not about animals, but it is about the ultimate sacrifice, that of Jesus Christ the only begotten Son of God.

John 1:29: The next day he saw Jesus coming to him, and he said, Behold, the Lamb of God, who takes away the sin of the world.

He is the lamb of God capable of receiving countless sins of all kinds without exception.

The Lord died to take away the sin of the world; For without bloodshed, there is no forgiveness of sin. Through the blood of Jesus, we can ask god for forgiveness and obtain it, no matter how deep our sins or how great the acts committed in the past.

His blood washed away the sin of mankind, and it is still valid today for every man who comes to him.

Sin in someone's life means death for that person.

There is no other possibility of having one's sin taken away outside of Jesus Christ of Nazareth. It is impossible to redeem one's sin with money or material things.

So it's not optional. It is necessary to understand, accept and value the sacrifice of Christ, outside of which no salvation. This is why every man needs the Lord in order to receive life.

Those who are wealthy or poor, those who work or are unemployed, those who are sick or healthy, kings and servants alike must seek the Lord.

We come to Jesus to be forgiven, justified, sanctified so that our lives will never be the same again.

Passover, the departure of Victory.

Not only does the blood of Jesus take away sins but grants us victory over our enemies.

Revelation 12:11: They defeated Him because of the blood of the lamb and because of the word of their testimony, and they did not love their lives until they feared death.

The blood of Jesus destroyed evil and the author of evil. It is a very powerful weapon. When we are in contact with blood, and we use it, it acts powerfully to dislodge disease and all kinds of ailments.

We must understand the value of blood, take it seriously, apply it with faith.

This is how we can see his power manifest and testify.

Indeed, the blood of Jesus is the sign of our victory.
