## The Lord Jesus is the God of wonders

Beloved, please read carefully what the Lord Jesus Christ of Nazareth is doing in the lives of His people. And to Him alone belongs the Glory!

## JESUS HAS RESCUED ME.

I had sufferings in my heart so this year, while preparing for the Mount Golgotha program, I had made the decision to surrender everything to the Lamb of God.

I said to myself, I must go with all my heart before the throne of mercy and grace in order to be totally liberated.

It was with this mindset that I went to Mount Golgotha.

At first, the pastor exhorted us, asking us to be true to ourselves so that we could transfer everything that was in us to the Lamb of God - Jesus Christ of Nazareth.

It was then that the Lord showed me a point that I had never addressed all these years, it was in relation to my son.

Already an adult, and very independent, he had not paid much attention to me for a long time. Our relationship was very conflictual, so that frustration had entered my heart.

I didn't feel like a mother to him because he didn't care about me.

Filled with sadness and bitterness about this, I was also unable to show love for him.

That day, I understood that it is God who transforms the hearts of men, so I transferred all my resentment and the whole situation to the Lamb of God. Nothing was left in my heart.

I had the feeling that I was completely delivered. So much so that afterwards I prayed for him with all my heart.

What a surprise it was when a few days later my son called me, not only to wish me a happy Easter but even made a transfer to my bank account as a gift.

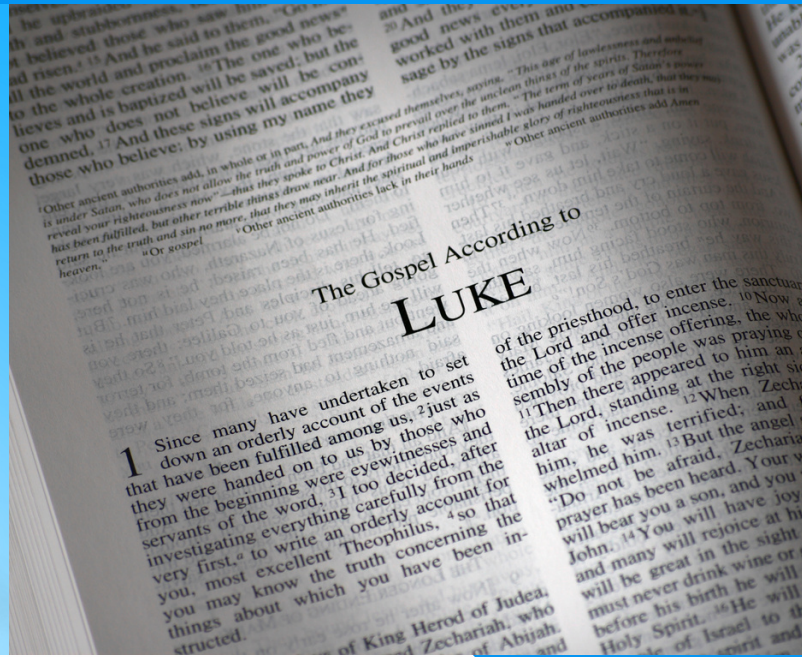

Surely, Mount Golgotha is the place of judgment, I thank God with all my heart for the restoration of my family.

And I thank the Lord for the life of his servant whom he has set before me to lead me into the truth.

## JESUS PAID MY BILL.

I thank God for my time in the Mount Golgotha program.

The Lord has done me good again.

I was seriously ill and hospitalized, and as a result I was left with a bill of \$13,000.

I was wondering how I was going to pay this bill.

I had a small amount of savings, which allowed me to pay off some of it, and then I was able to find some more money until I paid off half of that debt.

For a while, I had stopped making payments.

Then the Lord, by his grace, allowed me to have a job. So, I took courage and decided to pay the rest of the bill, about \$8,000.

I contacted the hospital to continue the reimbursement process.

However, to my surprise, the hospital staff told me that they could not find my name in their system, so there was no trace of the rest of my debt.

But, I insisted so much that the person asked me to call my insurance company to get more information.

And so, I called the insurance company to check, and indeed a person confirmed to me after several checks, that I had no more debts to pay.

When I heard this, I didn't know what to think, I had tears in my eyes, I was so happy. I bless the Lord with all my heart. He has done me good again.

*And when they had nothing with which to repay, he freely forgave them both. Tell Me, therefore, which of them will love him more?"*

## JESUS STRENGTHENS.

When I arrived at Mount Golgotha, the presence of God filled the room. Then the man of God asked us to transfer our sins to the lamb of God.

My main concern was my walk with the Lord, always wavering, not firm enough.

I was really focused and all of a sudden I felt a pain in my right arm.

Every time I transferred my sins to the lamb, I saw the lamb of God before me all white, with no sin in it. Then I also saw all my sins being transferred to Him.

I felt the conviction that I had been completely forgiven. Then I found myself in a position where I saw God's hand stretched out to me. And when I too reached out to the Lord, from that moment on, I felt light. It was as if I didn't exist anymore, I saw the light, the glory of God surrounding me in an intense way.

Since then, I feel the impact in my prayer life and I feel strengthened from within.

Alleluia our God is alive!
